When acting for
you I issued the order sanc
tioning the Mysore dyers
in hospital establishment
as proposed by Dr. McCann
but Dr. Henderson suggested
that we shouldnt go blindly
into so big an establishment
& that, as he has suggested
for Bangalore so in Mysore, if

would be prudent to
begin with a modest
tentative establishment
S. Houston agreed & said he
saw it approved hold.
Made the order that author
might be substituted she
was told to do so.

I think I left a note
of all this on record but

possibly I didn't
in that case I am
writing to tell you that
Mr. Graham wishes you
to speak with Dr. Houston
about this, and in con-
sultation with him make
out the establishment
to be sanctioned to start
with

Yours sincerely

My Dear Sir

With reference to your letter of the 8th inst I write to tell you that on the 31st of May last a note to Dr Anderson Mr Cunningham of what Dr Anderson proposed as a scale of establishment for the Mysore Limgu-

- Hospital. The establish-
-ment suggested
seemed to me quite
sufficient as a com-
-mencement.

I no doubt Mr. Crumpton
will be able to show
you my note.

Believe me,
Yours very truly
